Hidden Depths is the third book in Ann Cleeves' Vera Stanhope series - which is now a major ITV detective drama starring Brenda Blethyn, Vera.

A hot summer on the Northumberland coast and Julie Armstrong arrives home from a night out to find her son strangled, laid out in a bath of water and covered with wild flowers.

This stylized murder scene has Inspector Vera Stanhope intrigued. But then another body is discovered in a rock pool, the corpse again strewn with flowers. Vera must work quickly to find this killer who is making art out of death.

As local residents are forced to share their deepest, darkest secrets, the killer watches, waits and plans to prepare another beautiful, watery grave . . .

Also available in the Vera Stanhope series are *The Crow Trap*, *Telling Tales*, *Silent Voices* and *The Glass Room*. Ann Cleeves' Shetland series (BBC television drama SHETLAND) contains five titles, of which *Dead Water* is the most recent.

Lire des ebooks Hidden Depths Ann Cleeves PDF, ePub, mobi, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **hidden depths** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your hidden depths so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one.
