N'avez plus mal au dos !

Dessins de Nathalie Fourmy

**Lire des ebooks N'avez plus mal au dos ! Dr Pascal TROTTA PDF, ePub, mobi**, La santé est votre bien le plus précieux. Souffrir du tout rend la vie difficile. On peut soigner cela si l'on sait d'où viennent la plupart des douleurs de dos. Ce livre ne traite pas du lombago et des hernies discales (qui ne représente que 20 % des consultations pour des douleurs de dos) mais des douleurs de tous les jours et qui petit à petit vous limitent, vous irritent, et qui sont mal soignées par les médicaments. Car les anti-inflammatoires ne traitent pas la cause mais les symptômes et ont de graves effets secondaires si on les prend tous les jours. Un livre, facile à lire, écrit par un médecin radiologue, homéopathe qui a lui-même souffert du dos et qui s'en est sorti par la méthode naturelle qu'il vous dévoile ici....pour vous.. et vos proches. Plus de 25 ans d'expérience du diagnostic des maladies du dos. Les causes méconnues du mal de dos dévoilées, pour mieux soigner et se libérer du « mal du siècle ».

Bonne lecture !
