It provides a new perspective that empowers people to face the greatest challenge and opportunity that we, as a race, have ever encountered. The Allies Briefings contain a number of critical if not alarming statements about the growing extraterrestrial intervention and integration into the human race and about the extraterrestrial activities and hidden agenda. The Briefings provide a glimpse into the reality of intelligent life in

the universe and what Contact will really mean. For many readers, what is revealed in The Allies of Humanity will be entirely new. For others, it will be a confirmation of things they have long felt and known.
