*It's never too late to bloom ... People aren't sure what to make of Susan Green - family and colleagues find her prickly and hard to understand, but Susan makes*

**perfect sense to herself.**

Age 45, she thinks her life is perfect, as long as she avoids her feckless brother, Edward - a safe distance away in Birmingham. She has a London flat which is ideal for one; a job that suits her passion for logic; and a personal arrangement providing cultural and other, more intimate, benefits. Yet suddenly faced with the loss of her mother and, implausibly, with the possibility of becoming a mother herself, Susan's greatest fear is being realised: she is losing control. And things can only get worse ... at least in Susan's eyes.

**This sparkling debut is a breath of fresh air with real heart and a powerful emotional punch. In Susan we find a character as exasperating and delightful as *The Rosie Project's* Don Tillman. An uncompromising feminist and a fierce fighter, it's a joy to watch her bloom.**
