Don't make me laugh.

This book isn't for your gratification. It's not going to point out all the flaws in your useless cock, or help you jerk off to thoughts of a woman controlling your orgasm for her pleasure.

This is a book about a real person, not some inane male fantasy.

This is a book about Mistress T.

This is the true story of a poor girl from small-town Nova Scotia, and her transformation into one of the most successful Dominatrix porn stars in the world. It's a story that is, at turns, both funny and insightful, a story of sex, drugs, and stilettos. But it's also a candid look at relationships, at human connection, at love, at the flawed families who make us who we are. A frank and revealing memoir, THERE IS MORE TO THE STORY manages to both explore the sex industry, and humanize the women who work in it.

This is a book about Mistress T, but not the Mistress T you

know.

And it's the closest you're ever going to get without paying for it.
